

Year End Reflection & Goals for the New Year

What We Accomplished: (characters learned, books read, things we didn't think we'd get to, time to celebrate these achievements!)

What Worked This Year: (What things do you want to continue to do? What helped both you and your child(ren) enjoy learning Chinese and be successful in this are? Jot down a few things that you want to continue to do this upcoming year.)

Challenges We faced this year: (Vent your little heart out. What was difficult? Try your best to be specific. It helps to "talk" about it. What did your child resist? What activities or lessons frustrated you and/or your child(ren)?)

What Didn't Work: (What are some things you need to edit out for a successful and enjoyable year of learning Chinese for both you and your child(ren)? Do you need to come up with a different approach for speaking? Writing? etc...)

What Do You Want to Accomplish this year? (Don't be afraid you won't get to them! This is your space to dream! You never know what you will be able to achieve this year!)

Make a Plan! Goals are achieved through taking small steps towards them. (Divide up your big goals (above) into bite size doable monthly chunks. What specific steps do you need to take in order to achieve these goals? Write these down into each month's box below.)

January	February	March	April
